

The School Board of Trustees plays a crucial role in the governance and strategic direction of our school. Comprised of dedicated individuals from our school community, the Board ensures that our mission and vision are upheld while making informed decisions that benefit our students and staff.

The Board of Trustees consists of elected representatives who serve as advocates for the entire school community. They work collaboratively to establish and review policies, oversee financial matters, and provide guidance on key decisions that impact the overall functioning of the school.

One of the primary responsibilities of the Board is to safeguard the interests of our students by setting and maintaining high educational standards. They work closely with the Head Teacher and staff to ensure that our curriculum, programs, and services align with our mission and meet the needs of our diverse student body.

Additionally, the Board of Trustees actively engages with parents, staff, and other stakeholders to understand their perspectives and incorporate their input into decision-making processes. They also foster open communication channels to promote transparency and accountability within our school community.

We are grateful for the dedication and commitment of our Board of Trustees in upholding the values and mission of our school. Their volunteer service and expertise contribute to creating an environment where our students can thrive academically, socially, and emotionally.

If you have any questions or suggestions, we encourage you to reach out to the Board of Trustees. They are here to listen, support, and work collaboratively for the betterment of our school.
